

CSIRO IS PROUD TO ANNOUNCE

GREENHOUSE 2011

THE SCIENCE OF CLIMATE CHANGE

Converting science into Policy

TUESDAY 5 APRIL

16:00 -17:15

Hosted by Kerry O'Brien

Kerry O'Brien is one of Australia's most distinguished and respected journalists. He has worked in newspapers, wire service and television news and current affairs as a general reporter, feature writer, columnist, political and foreign correspondent, interviewer and compere.

He has just completed a 15-year stint as a compere/interviewer for the ABC's 7.30 Report and for six years before that he was the host and interviewer for the Lateline program. He is currently presenter and interviewer for the ABC's flagship investigative program, Four Corners. He also anchors ABC Television's election night telecasts.
